BANNER DAY OF THE FAIR

Big Crowd In Attendance Thursday and Horse Show Is Best In History.

HAZEL DAWN A WINNER.

Takes Feature Event From Princess V. and Little Millionaire.

Before one of the largest third day crowds in the history of the fair society the grandest display of live stock was held yesterday at the fair grounds. Favored by the most ideal weather hundreds took advantage of the conditions to witness the exhibits of the banner day of the fair. The large crowd was composed of hundreds of visitors from surrounding towns. Lexington, Carlisle, Milersburg, Mt. Sterling and Winchester were largely represented.

From early in the morning until the winners of the closing ring was announced the large stand was packed to overflowing. Compared with last year the crowd greatly exceeded the third day of the year previous, owing to a heavy rain which fell in the morning and which had the effect of keeping a large number away.

Everything was favorable to the fair society yesterday. Clear skies and a cool atmosphere made a most comfortable day for the visitors who from early in the morning flocked to the grounds.

Those who attended the fair yesterday while disappointed to some extent over there not being a midway, were more than repaid for their visit, from the fact that the stock show was the greatest ever held in Kentucky at any of the fairs that have preceded the Bourbon event.

The cattle show, jack and jennet stock occupied the program of the morning, while in the afternoon the harness and saddle horse rings completed the program, bringing together some of the classiest show horses for which Kentucky is noted.

The special ring for harness horses brought out five entries, and was pronounced by competent judges to be the greatest ring of harness horses shown in Kentucky this year. Jack Barrymore, the splendid show horse of Matlack & Shropshire, of Winchester, driven by Wm. Shropshire, was the choice of the judge after twenty minutes deliberation; for the blue tie, while Golden Girl, driven by J. R. Fagan, of Brooksville, was second, and Princess V., owned and driven by Allie Jones, was awarded the third premium.

In the ring for the best stallion four years old and over, Allie Jones carried off the honors without competition on Richelieu King. The sweepstakes for saddle resulted in a victory for Matlack & Shropshire in the class for any age stallion.

The closing event of the day with its three way premiums brought but three entries to the ring, Hazel Dawn, owned by Matlack & Shropshire, Princess V., the property of Allie Jones and Little Millionaire, which is owned by Caywood & Hamilton. The three entries made a splendid showing and it was after several minutes deliberation the blue was awarded to Matlack & Shropshire, second to Allie Jones and third to Caywood & Hamilton.

J. H. Ewalt Succumbs After Long Illness.

Mr. J. H. Ewalt, aged sixty-five years, died at his home on Ingers Avenue, Friday morning, about 1 o'clock, after an illness of several months from a complication of diseases.

Mr. Ewalt has been in declining health for more than two years and during the past two weeks his condition has been regarded as critical. His death has been momentarily expected since Monday.

Mr. Ewalt was a son of the late Col. Samuel Ewalt, of Shawhan, and for a number of years was one of the most prominent horsemen in this section. He was a widely-known horse trainer and during his career developed several high-class trotting horses.

Several years ago he located in the vicinity of Carthage, Mo., where he was actively engaged in the horse business, but later returned to Kentucky, where he spent the remainder of his life, moving from Shawhan to Paris about twenty-two years ago.

Mr. Ewalt is survived by his wife, who was formerly Miss Annie Offutt, of Scott county, two daughters, Mrs. Shelby Kiser, of Kisereton, and Miss Margaret Ewalt, of Paris, and one son, Mr. W. T. Ewalt, of this city. Three half sisters, Mrs. A. T. Crawford, Mrs. Stella Duvall and Mrs. Gus McCarthy, all of Louisville, also survive. The funeral arrangements will be announced later.

Montgomery Citizen Dies.

Mr. Thomas Grubbs, a prominent citizen of Montgomery, died yesterday morning. He was 77 years old, and has many relatives in this section of the State.

Dear Amy:-

I've been to see Laura. You remember she and her husband stayed with us one night. She and Billy both liked my home so well that Billie "loosened up" and told Laura to go down town and buy all the furniture she wanted.

Laura has just fitted out her house from the front door of the hall to the back door of the kitchen.

With love,

Lou.

P. S.—Laura asked me where to buy. Knowing she would get good, strong, stylish furniture at lowest prices, of course, sent her to

Mrs. Adrain Chanslor moved Thursday to the property vacated by Mr. and Mrs. Thomason from the Cemetery. Mr. Hillock who was recently appointed as sexton of the Millersburg Cemetery to succeed the late Mr. R. C. Chanslor, will move today to the cemetery property.

The city council in regular meeting Wednesday night transacted a little business. All members were present except Councilman Jones. The most remarkable feature of the meeting was there were no accounts on the clerk's desks. Mayor Wadell reported the probable cost of running a third electric light wire which would be more than three hundred dollars. On motion of Councilman Miller the light committee was empowered to ascertain the exact cost and have the wire put in at their earliest convenience if in their opinion the cost was not excessive. Councilman Miller then introduced a motion to allow the cemetery Company \$75 on the construction of the concrete walk recently built from the gate to the cemetery, which is in the city limits. This measure was called up from last meeting and was the only feature of the evening that called for any discussion and was discussed by Councilman Miller, Peed, Butler, W. A. and Mayor Wadell. Councilman Peed offered a substitute that the company be allowed \$50 which was seconded by Councilman Ingels, Councilman Miller withdrew the original motion and the substitute carried after which the Council adjourned.

McClintock Upheld.

The special committee appointed at the Seventh Congressional District Progressive Committee meeting held in Lexington last Saturday, for the purpose of investigating the claim of J. D. McClintock to the chairmanship of the Bourbon County Progressive Committee came to Paris yesterday to investigate the alleged irregularities in securing control of the county committee.

The committee of investigation, composed of Chairman Prentice O'Rear, of Frankfort; County Chairman S. S. Offutt, of Scott, and County Chairman A. D. Arnett, of Woodford, met at the court house yesterday afternoon at 1 o'clock to conduct the investigation at which the opponents to Chairman McClintock said they would produce sufficient evidence to have him ousted from the County Chairmanship.

After calling in consultation a number of the representatives of the party in Bourbon, members of the county committee, the action was upheld and the election of Mr. McClintock was ratified.

Under the new law which has just gone into effect grocers who sell lard compound must place a label on each package of same stating just what it is made of.
